

Permission slip for young people under 16

About us:

We are a registered charity (charity #1152354). We receive donations of second-hand bikes, fix them at our workshop, and then donate them to asylum seekers and refugees. We check every bike on the police database to make sure they are not stolen, and make sure they are checked by fully qualified mechanics before they are taken away.

A set of lights, a strong lock, a helmet, and a hi-visibility vest are offered to everyone who takes a bike, and in addition, free safety training is available too.

Everyone is welcome (but not obliged) to volunteer on Thursday evenings to help fix up bikes which get donated to other people: by attending our workshop, beneficiaries get actively involved in the process, learn basic bike maintenance skills, and form long-term supportive relationships.

Permission:

I declare that I am the legal parent or guardian of _____.

I give my permission for them to volunteer and/or receive a free bicycle at The Bike Project.

Name of parent/guardian: _____.

Signed: _____.
